# LIST OF PUBLICATIONS OF THE DOMINION DEPARTMENT OF AGRICULTURE

F. C. NUNNICK  
DIRECTOR

Published by authority of the Hon. JAMES G. GARDINER, Minister of Agriculture  
Ottawa, Canada

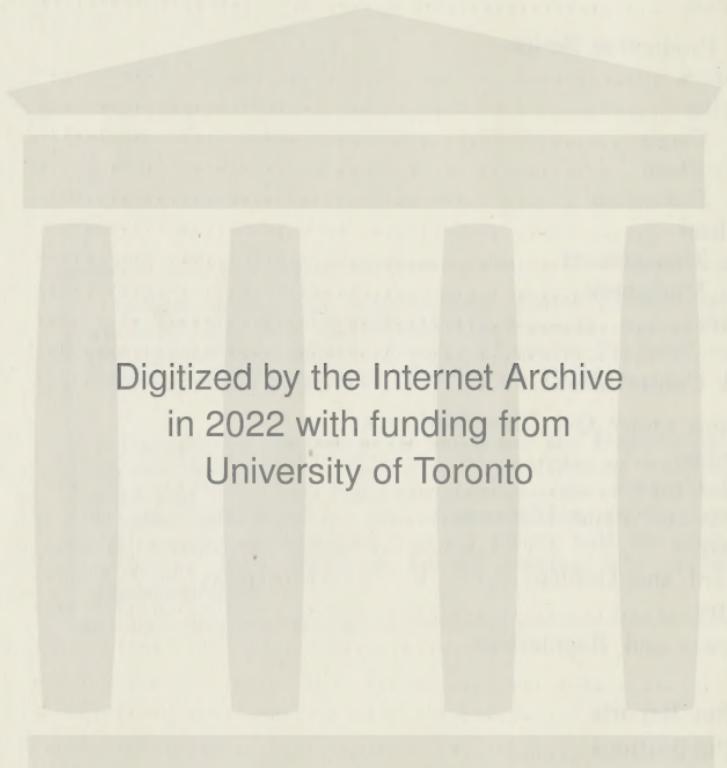

Single copies of publications listed herein are available for free distribution in Canada, except in the case of those listed on page 17 under the heading Publications For Sale by the King's Printer.

Because of the need for economy the Department regrets that it must limit the distribution of publications and not more than ten publications will be sent to any individual at one time. Where more than this number are asked for an effort will be made to select those likely to be of greatest use to the correspondent.

- (17) Forage Crops in Canada.

The user is required to pay transportation charges one way. The slides are sent by express collect and may be returned in the same way as the department will pay the return charges. An explanatory manuscript in either English or French accompanies each set of slides, which may be read as the slides are shown upon the screen. The express charges are very reasonable as the slides are well packed, and the weight kept down to a minimum consistent with safety in transportation. Approximate express charges on sets one way from Ottawa to points in Ontario 85 cents, Quebec and Manitoba \$1.15, Maritime Provinces and Saskatchewan \$1.50, Alberta \$2, British Columbia \$2.20. Requests for slides should be made sufficiently in advance of the definite date set for the meetings where the slides are to be used to allow for shipping a few days in advance of the meetings.

Attention is drawn to the fact that the slides listed above are all of standard size, either  $3\frac{1}{4}$ " x 4" or  $3\frac{1}{4}$ " x  $3\frac{1}{2}$ ". It should also be noted that lanterns cannot be furnished for use in showing slides.

### **Press**

The department issues a weekly press service dealing with topical subjects on Canadian agriculture. Press notices are also prepared outlining the scope of new bulletins and circulars. These services are available to and maintained for the benefit of the press.

### **Exhibits**

The educational exhibits work of the whole department is centralized, and supervision and direction of exhibits and the arranging of exhibit circuits is carried out by the Publicity and Extension Division.

Communications respecting Lantern Slides, Press, and Exhibits should be addressed to the Director, Publicity and Extension Division, Department of Agriculture, Ottawa.
